EDUCATION

University of Central Punjab (UCP) – Lahore, Pakistan

Bachelor of Science in Computer Science — Semester 2 (Ongoing, 2026 – Present)

SKILLS

Technical : HTML, CSS, JavaScript, React.Js, Tailwind CSS , API Integration, Connect Backend with Frontend

Deployment & Version control : GitHub Pages, Vercel, Git, Github pages

Tools & IDEs : Chrome Dev tools, VS Code, Notion

Soft Skills : Fast learner, self-motivated, adaptable, and detail-oriented with good time management

EXPERIENCE

TBox Solutionz – Lahore, Pakistan
Frontend Developer Intern, Jul 2025 – Sep 2025

- Built responsive web pages using HTML, CSS, and JavaScript at a basic-to-intermediate level.
- Learned and used React.Js with Tailwind CSS to create modern UI components.
- Gained hands-on experience deploying projects and managing version control with GitHub.
- Worked with senior developers and improved my understanding of front-end workflows.
- Strengthened my skills in problem-solving, teamwork, and adjusting to real project environments.

TBox Solutionz – Lahore, Pakistan
Frontend Developer, Nov 2025 – Feb 2026

- Developed and maintained professional web applications using React.js and Tailwind CSS.
- Implemented API integration and connected frontend components with backend services.
- Worked on optimizing UI components for better performance and user experience.
- Collaborated with senior developers to deliver high-quality code and meet project deadlines.

PROJECTS

Portfolio Website – React.js, Tailwind

- Designed and developed a responsive personal portfolio with modern UI components, smooth navigation, and reusable sections.
- Implemented clean layout and deployed online to showcase skills and projects.
